*Please let front gate security, (if applicable) and your neighbors know that we will be checking your home and that we have a key in case of an emergency. Any service and repairs are done at the request and expense of the homeowners through the companies provided below.*

*NOTE: Our fee for waiting with technicians is a \$50.00 charge for the first two hours. Any additional hours at \$35.00 each thereafter. Please give these companies our number so we can coordinate a time or window for opening your home. We will ask for a 30 min. "call ahead" time to meet them at your home to eliminate any waiting and cost to the homeowner.*
